

16th FESTIVAL OF MUSIC THEATRE

OPERA 2025

PRAGUE 29. 01. 2025 – 18. 04. 2025

PRESS RELEASE - CHANGES IN THE PROGRAMME

Jednota hudebního divadla, January 16, 2025

The start of the 16th Bi-annual Festival of Music Theatre, OPERA 2025, is imminent, with Katya Kabanova performed by Silesian Theatre Opava opening the festival on Wednesday, January 29, 2025, at the Estates Theatre.

We regret to inform about two changes in the announced programme. The production companies Studio Volantes and Kulturní Morava have shared with us that in the current situation they are unable to carry out their projects under the originally agreed conditions. Unfortunately, the following two performances will not take place:

Thursday 20 February 2025, 19:00, multi-purpose hall Na Marjance (Bělohorská 262, Prague 6)
STUDIO VOLANTES
František Škroup: TINKER

Sunday, 6 April 2025, 15:00, Church of the Hus Choir (Wuchterlova 523/5, Prague 6 - Dejvice)
KULTURNÍ MORAVA
Emil Viklický: THE PLOUGHMAN FROM BOHEMIA

We believe that these are the last changes in the programme of the festival OPERA 2025 that still offers the largest number of projects and performances in the entire history of the festival, twenty-five projects altogether.
